*Trailmate's JoyRider™ Series and Low Rider™ models offer recreation and rehabilitation for individuals with special needs, such as, cerebral palsy, multiple sclerosis, Parkinson's disease and arthritis. Our uniquely accommodating trikes provide an enjoyable activity that improves both the physical and psychological well-being of the rider.*

## The JoyRider™ and Junior JoyRider™

Our **exclusive step-through design** lets everyone enjoy the thrill and excitement of trike riding. Both models feature a heavy-duty steel frame, unique swing-away handlebars, and a cozy molded seat for hours of confident fun!

- Adjustable high-impact molded seat, Junior JoyRider is equipped with a seat belt
- JoyRider model tilts on end for easy storage
- Available with coaster brake, freewheel or 3-speed coaster brake
- Colors: Red or Blue (Junior JoyRider available in red only)
- Skyway mag wheels
- Safety flag
- Options: harness system, heel supports, handle stop, caregiver handle

Junior JoyRider™

Optional caregiver handle available for assisted riding.

JoyRider

JoyRider™

### Optional equipment

Foot Strap with Heel Support

Harness System

## The Double Joyrider™

You'll be twice as happy! Enjoy each other's company while riding on this unique side-by-side tandem.

- Independent pedaling feature lets you ride together, alone or with one resting
- Handlebars adjust for each rider
- Stylish 24" Skyway mag wheels
- High impact molded seats adjust individually for personal comfort
- Tilts on end for easy storage
- Front band brakes and fenders
- Dual rust-resistant baskets
- Safety flag
- Options: 3-speed coaster brake, rear fenders, harness system, heel supports, handle stop, child's seat (same as Junior JoyRider)

## The Low Rider™ and Junior Low Rider™

The Low Rider™ is an option for those customers who are looking for a bit more stability and easy cornering without sacrificing the fun. Our square-tube, heavy-duty main frame and sleek design supplies rugged performance. The Junior Low Rider™ doubles the fun in a scaled-down version of the original.

- Skyway mag wheels: 16" front/20" rears (Low Rider), 12" front/16" rear (Junior Low Rider)
- Wide western-style seat with contoured back support
- Quick release seat is fully adjustable
- Brakes: front band/rear coaster
- Chrome chopper handlebars with extending front struts
- Options: single speed, 3-speed coaster brake, heel support foot straps, harness system, walk-behind push bar

Low Rider™

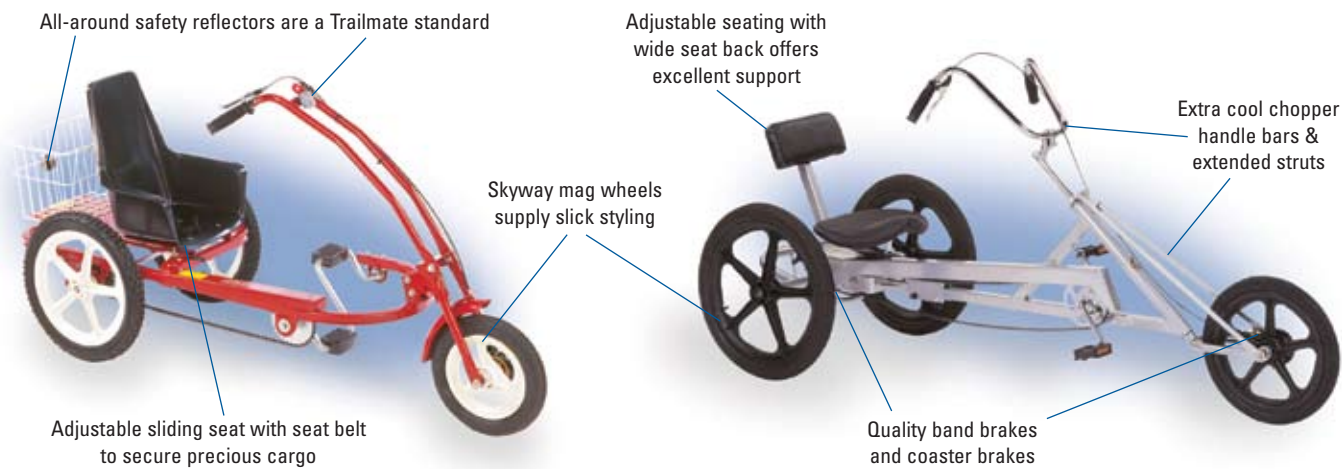

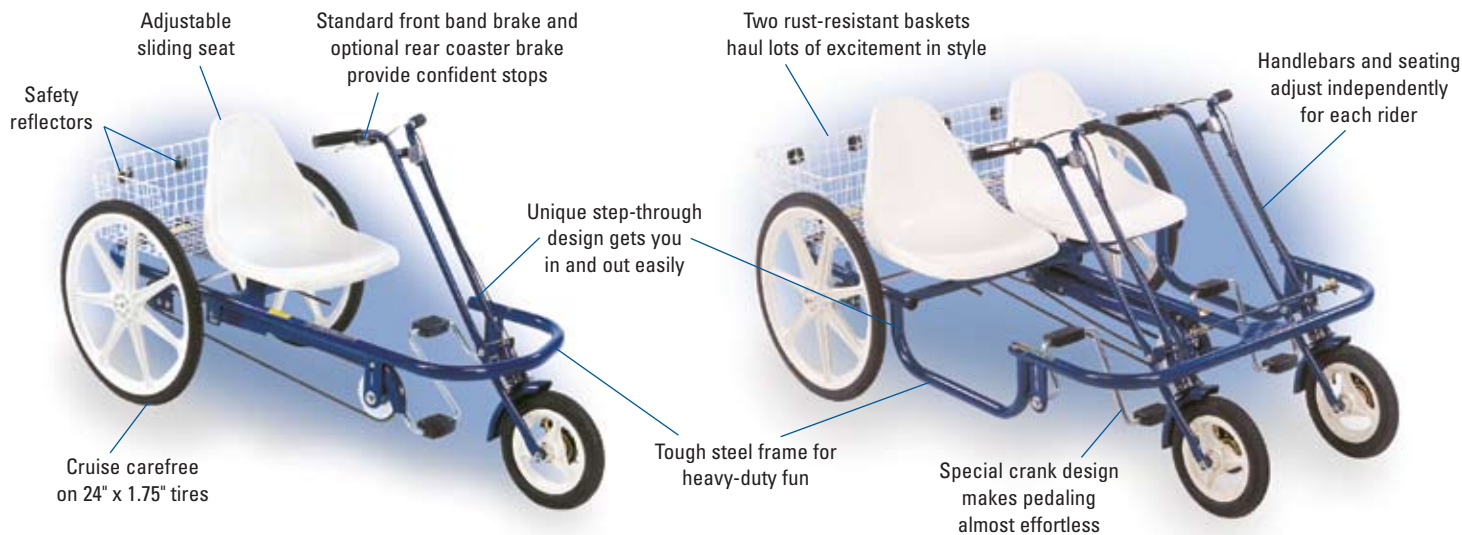

**Low Rider**

Junior Low Rider™
