**Trailmate Worker**<sup>™</sup>

**Suddenly everybody's triking it!** Folks everywhere are catching on to what Trailmate fans have learned over the last 40 years — **it's fun to ride the best.** The **E-Z Roll Regal™** and **DeSoto Classic™** are industry standards for premium adult 3-wheelers. Our new **Trailmate Worker™**, with a reinforced frame and industrial-strength components, offers increased overall load capacity. Lasting durability and exceptional value are built into every Trailmate model — **enjoy the ride!**

## The E-Z Roll Regal™

**Let the good times roll!** We've packed extra luxury into this low maintenance, easy-to-pedal classic. Our top-of-the-line 3-wheeler offers all the features you need to make getting out and about a wonderful experience.

- Unique low-back tractor-style seat provides maximum comfort and support
- Adjustable frame for a custom fit
- Standard alloy wheels
- Front cantilever V-brake with locking parking lever within easy reach
- Thoughtful details like chrome front fender, rust-resistant rear basket, reflector package
- Handles easily, fits through standard doorways
- Options: Rear fenders, coaster brake, 3-speed coaster brake, 5-speed freewheel, 24" Skyway mag wheels, solid tires, heel support foot straps, extended strut and seat post, high-back tractor-style seat with pivoting arm rests provides plush seating comfort and support

**DeSoto Classic**

## The DeSoto Classic™

Our most popular adult 3-wheeler is famous for its comfortable ride, responsive performance and terrific value. You'll look for excuses to take your DeSoto Classic™ out for another enjoyable spin while showing off its sporty good looks.

- Low step-through design makes access easy
- Standard alloy wheels (24" model only)
- Chrome front fender and reflector set
- Many color choices on our 24" model
- Options: Rear fenders, 20" and 26" alloy wheels, 24" Skyway mag wheels, coaster brake, 3-speed coaster brake, 5-speed freewheel, solid tires, heel support foot straps, adjustable back-rest, extended strut and seat post

### Adjustable Backrest

This popular option for both DeSoto Classic and Trailmate Worker adjusts quickly and easily to accommodate riders. Multiple seating positions offer even more comfort and stability to our saddle-style seat.

## The Trailmate Worker™

The Trailmate Worker™ is an extra heavy-duty variation of our popular DeSoto™ model. The reinforced steel frame and extra wide rear hubs add stability and an increased load capacity of up to 400 pounds.

- Standard features include new front disc brake, front fender, cargo platform, reflectors and safety flag
- Pneumatic tires 24" x 2.125"
- Rear coaster brake
- Options: 3-speed coaster brake, 5-speed freewheel, front and rear basket, rear fenders, airless and Kevlar-lined tires, adjustable backrest, extended strut and seat post
